The Delaware Hayes Pacer Football Coaching Staff is proud to host the 2025 Future Pacer Youth Football Camp.

Our goal for this camp is to develop student-athletes in the following ways: **Physically, Mentally, Discipline, and grow a love for the Game of Football.** During the camp, we will be focusing on the basic fundamentals, techniques, and skills of football. We will also be providing opportunities for players to compete individually as well as a team in multiple ways (7 on 7 and Pacer ball). This camp offers the opportunity to be coached by the varsity football staff at Delaware Hayes as well as current high school football players. The desire to compete, win, and be a **Champion** are the feelings that we want all of our campers to have. Most importantly, this camp gives each camper the skills and techniques so they have a great football season!!
